About us

HOY is a reputed and well-known manufacturer and supplier of stainless steel floor drains and bath accessories, which stand apart for their elegant design and quality. All products are hot sellers in the market in India. We believe in presenting the customer with a dilemma of choice rather than disappointment at its absence. Our company focuses on providing complete customer satisfaction to individuals who know the best in the steel product world by supplying them with quality products at a competitive price. The precision in manufacturing the products and the passion to make lifestyles better and easier make us a concerned manufacturer. The professional marketing and distribution channel of HOY enables the company and its distributors to work with ease and to maintain quality standards in every regard. The intensive research of the needs and expectations of the people, the state-of-the-art manufacturing technology and the proper distribution channel make the helical approach of HOY in catering the products in the best manner possible.
